

### Product description

Electric strikes for sliding doors

### Overview of Advantages

- Water-proof for use outdoors

### Technical data

DIN-direction	Universal
potential	6-12 V AC/DC
Fail-locked	Yes
Break-in resistance	8000 N
Operating temperature range	-15 °C to +40 °C
Material housing	Gunmetal R65
Latch material	GS-15CrNi6
Color	40
Color	Smoothed, galvanised
Fixing holes	2

Article number	110----11840D11
